- Certifications-

The undersigned hereby agrees that the proposed work shall be done in accordance with the statements on this permit, and with the plans and specifications submitted, and that the work connected therewith shall conform to the NH State building code, the Town of Merrimack zoning ordinance and regulations. It is the responsibility of the applicant, contractor and or owner to notify the Building Division to schedule inspections of the foundation, frame, gas piping, electrical wiring, plumbing, insulation, etc. and at completion. I further certify that I am the owner or owners' agent, authorized by the Property Owner to apply for this permit and that there are no deed restrictions that will conflict with the issuance of a building permit on said property.
